A Tuscany Art Experience

Tuscany beckons for a Fall art experience. Painters depart from Toronto on September 29th and return on the 9th of October.

We stay in a medieval village now called Fattoria San Donato that is filled with old world charm and colour where they have vineyards, artichoke plantations, olive groves and saffron.

It's a painters trip with all comers welcome to work in oils, acrylics or watercolors. Painting outside, en plein air is such a wonderful experience. You learn to see all over again but as a painter seeking to express your vision in a way that speaks to the moment. We learn process and composition and colour. Daily demos, critiques and shared experiences are all part of that component.

With 2 large, 9 passenger tour vans, Michaela and I escort you to an Etruscan fortress, stunning architecture and villages, Florence and Sienna and much more...

I will send you the full itinerary with the trip cost. We aim to provide a wonderful experience with all of the necessities taken care of and enough flexibility to accommodate everyone.

Made possible by these fine folks:

If you know of an Arts group that would like to have their information shared with the other arts groups via the Artz Info Network notice let me know. As well share this notice with others. The AIN notice goes out to the liaisons of the various participating Arts groups each month. By sharing our information we all benefit.
