DIANE AND STAN AT CROSSCURRENTS CAFÉ - FRIDAY JULY 6TH

It will hit the sweet spot of what you all like to hear.

Diane & Stan have been performing for most of their lives in various genres of music. Diane is originally from Ottawa & Stan from the Niagara Region. They met while working on separate musical projects in 1998 and, as they say, have been making harmony ever since. For the past 15 years they have selected to only perform for charity and community events or for private parties and friends. Rich Jagger plays in clubs regularly in the GTA with his Rock Band. They recently met Rich while he was playing in Bolton and had the chance to perform together at a couple of events. Diane and Stan are excited at the opportunity to perform at the Cross Currents event in Bolton. "It's the perfect intimate environment to share our music with the audience", says Stan. "I remember that intimacy from the coffee house scene years ago and look forward to performing for friends, new and old." The musical selection are varied from blues, folk, country, early rock, and a touch of bluegrass. Musical influences include Etta James, Simon & Garfunkel, Eagles, John Prine, J.J. Cale, CSN & more.
