Drawing / Graphite with Marlene Madole

Saturday, 31 Oct 2015

Description

Marlene will focus her skills, and ours, on the human figure. Remember good drawing skills are a must, they are the foundation for every good painting. Don't let figure drawing worry you, the human body is a landscape unto itself.

The Orangeville Art Group (OAG) has a 60 year history of supporting artists and the arts in Orangeville and the Headwaters region. The vibrant community of about 100 artists represents all levels of skill and experience and a diversity of styles and media. The hallmark of the Orangeville Art Group is education and artistic development. We offer workshops, art talks, plein-air paint-ins, and shows to help our artists develop their skills and to display their work.

Sat 24 (1:00 PM - 8:00 PM)  
Harvest Home Music Festival

Sun 01 (2:00 PM - 4:00 PM)  
Art Show Opening of Gail Prussky: Raised In Captivity Gail Prussky of Mono paints on canvas, wood and fabric, and uses pen, ink and pastel. Her work is a reflection of her inner life, (it isn't always pretty) but making art keeps the demons at bay. This show runs from November 1st until December 20th
